DISTRICT FIVE COMMUNITY MEMBERS

Due to the COVID-19 Epidemic and the unavailability and/or convenience of having Community Meetings due to the Governor's Executive Orders regarding social distancing and the limit of 10 people or less at gatherings, the GRIC Elections Office asked that a waiver be provided by the Chairman of the District to forego the nomination process and to have a special election held during the Primary Election with a declaration period only.

The declaration period will be from July 20 – July 22, 2020 (see attached schedule)
