Weather Outlook

In the past, dust storms, flash floods, wildfires, extreme heat, and severe winter weather have threatened GRIC. Now consider the possibility of home fires and even terrorist attacks. Are you prepared to make it on your own for a few days in the event of an emergency?

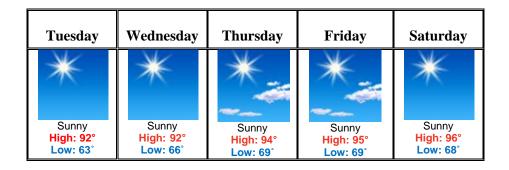

- 1. Make a plan for what will you will do for an emergency.
- 2. Get a kit of emergency supplies.
- 3. Be informed about what might happen.
- 4. Being prepared means having your own food, water and other supplies to last for at least 72 hour

Office of Emergency Management Phone: 520.796.3755 gricready.com gricready.org

Week of: October 1st, 2019

The weather for the 1st of October in the Community will be sunny with a high near 92 degrees and tonight a low around 63 degrees. The Community will slowly warm up by the end of the week, with highs around 96 degrees by Friday. The temperatures will remain in the mid 90's in the Community for the weekend.

MAKE A PLAN. BUILD A KIT. STAY INFORMED

Recommended Supplies for a Basic Kit:

- Water, one gallon per person day for drinking & sanitation.
