

Hau'pal
(RED TAIL HAWK)
HEALTH CENTER

TRAFFIC LIGHT INSTALLATION

The installation of a much needed traffic light at the entrance of Hau'pal (Red Tail Hawk) Health Center will occur from October 7-11, 2019.

- To not impede peak traffic times, the installation will occur from 9:00 am through 3:00 pm daily.
- At no time will the entrance to Hau'pal (Red Tail Hawk) Health Center or Queen Creek Road be completely blocked.
- Employees and patients should expect temporary and intermittent partial closures of lanes as the work progresses.
- A flagman will direct traffic during the installation.

Thanks in advance for your cooperation as we improve patient and employee access to Hau'pal Health Center.

**Questions should be directed to the Planning Design
& Construction Department at
(520) 562-3321 Ext. 1043**
