Public Health Integrated Pest Management Workshop

This workshop is provided by the University of Arizona Cooperative Extension,
in Collaboration with
the Gila River Indian Community Tribal Health Department

November 20th, 2019

9:00 am - 5:00 pm

Location: 112 W Seed Farm Rd (D3 Head Start)
Sacaton, AZ 85147

The purpose of this workshop is to provide information on:

- Integrated Pest Management (IPM)
- Head lice and scabies
- Ticks, mosquitoes, and cockroaches
- School and Head Start response to bed bug introductions
- How in-home workers and residents can
1) reduce risk of acquiring bed bugs, 2)
reduce bites and reduce pesticide
exposure, 3) not make the problem
worse

This workshop is for:

- School and Head Start staff
- Health service providers
- Environmental health professionals
- Tribal housing maintenance
- Social workers
- First responders
- Community liaisons
- Pest management professionals
- Community representatives
