

# Notice to Community Members

## The District 6 Tribal Health Department is being repurposed as the Gila River Police Department's New West End Precinct.

The District 6 Tribal Health Department will be moving to our District 3 office during the week of December 2, 2019 to December 6, 2019.

Limited services will be available to the community during the transition week.

Normal business hours will resume the week of 12/9/2019. The Tribal Health Department will continue to provide services to the west end community members. Services will be scheduled accordingly.
