

# CENSUS 2020 ESSAY CONTEST

## Why is participating in the Census 2020 important to you?

The Census 2020 will affect resources and representation in tribal communities across the United States for the next ten years. The Inter Tribal Council of Arizona (ITCA) is 100% committed to ensuring a full and accurate count for tribal communities in Arizona. This year we are asking American Indian/Alaska Native students who attend a high school, college, or university in Arizona to initial and commit to the official ITCA Census 2020 Pledge Card and answer the question above.
