Given the decision to limit the Arizona debate to just the candidates with no audience and in speaking with professionals about the Coronavirus, out of an abundance of caution, the Executive Office has made the decision to cancel this weekend's rally until the health, safety and wellbeing of our Community members can be ensured - especially our elders and those vulnerable to respiratory issues. The Community will continue our Get Out the Vote efforts leading up to the Fall election and look forward to high Community engagement in the August Primary and Presidential election.
