

Memorial Day

May 25, 2020

“Remember ~ Honor ~ Reflect”

This Memorial Day for most will be very different. Many of the local, state and national events are cancelled because of health and safety reasons brought out by the COVID 19 Virus pandemic, However, that doesn't mean we cancel what is in our hearts. We will always remember, honor and reflect on our nation's fallen military heroes.

The men and women that gave their lives for the freedoms we hold dear. And to those that served, made it home but now, are no longer with us. **We REMEMBER!**
