

Sacaton

Elementary School District #18

SACATON ENROLLMENT IS NOW OPEN

Remote Learning Starts August 10th!

We are here for you!

SESD schools are enrolling for the 2020-2021 school year. Simply call or visit your child's school to enroll and/or update information for returning students. Our summer office hours are Monday to Thursday from 7:30-3:30 pm. We continue to practice social distancing and a face covering is required.

When In-Person learning is permissible, SESD will offer two instructional models for the entire school year that prioritizes quality learning experiences for all students: Online Learning and In-Person Learning (outlined in the Teaching and Learning Framework). To learn more about the SESD Return to School Plan, visit our website at www.sacatonschools.org

Technology devices are available to all SESD registered students. To schedule an appointment to check out an iPad (PreK-K), or Chromebook(1-8), contact Mr. Roman at 520-562-8600 ext. 2086

Families need to provide updated registration information to SESD as soon as possible. This information is used to determine the necessary staffing, class placement, and aligns our resources to meet the needs of students.

If you have any questions, please call your child's school or email our friendly school principals.
