

TOHONO O'ODHAM NATION HEALTH CARE

DATE: July 24, 2020

Public Health Alert:

COVID-19 cases associated with funeral services held in Cold Fields and at Marcus Funeral Home on July 20, 2020 and July 21, 2020.

Several people who attended a viewing at Marcus Funeral Home Monday, July 20, 2020 and rosary and burial services in Cold Fields July 20-21, 2020 have tested positive for COVID-19.

If you attended the funeral services on either day (July 20th or July 21th), in person, and had direct contact with other people, we recommend that you immediately begin 14 days of quarantine in your home or other safe location. Quarantine dates from this gathering include July 21, 2020 through August 4, 2020.

Quarantine is recommended regardless of testing status.

Direct contact includes:

- Shaking hands, hugging, or standing closer than 6 feet from other people without wearing masks.
- Not being able to wash your hands immediately after contact with others at the funeral.

Increased risk includes:

- Direct contact with someone with known COVID-19
- Close contact with someone with sneezing or coughing and potentially crying and singing.

During quarantine, you should:

- DO NOT leave your house or invite people into your house.
- DO NOT visit people who do not live in your same house.
- Contact your District if you need assistance with groceries, supplies, or medicines.

PLEASE, DO NOT ATTEND GATHERINGS OF ANY SIZE, even short close visits with your neighbors and relatives who live nearby are risky at this time.

If you have more questions, call your provider or TONHC Public Health Nursing for evaluation and testing recommendations. If testing is recommended at TONHC, please call for an appointment. Do not show up without an appointment. Testing can cause you to sneeze contagious spray and health care needs to prepare for you.

Sells: 520-383-7209
San Simon: 520-362-7078

San Xavier: 520-295-2529 or 520-295-2590
TONHC Public Health Nursing: 520-383-7205

Remember, getting tested today only gives you today's result.
A negative result does not protect you or your family tomorrow. Stay in quarantine if directed.
Always wear a mask in public. Stay 6 feet away from others.
Avoid all gatherings, even with close relatives who do not live with you.
Do not expose yourself or your family.
