### PUBLIC NOTICE

Pima-Maricopa Irrigation Project  
Santan Canal 9 Construction – PMIP Lateral 28.65 Sub Lateral 0.26  
Moffett Road Closure in Stotonic (D-4) area

The Pima-Maricopa Irrigation Project (P-MIP) will be temporarily closing Moffett Road beginning Monday, October 12, 2020 at 6:00 am and ending Friday, October 16, 2020 by 5:00 pm. T&T Construction will begin construction on Monday, October 12, 2020, at 6:00 A.M.

The road closure will occur on Moffett Road and last five days. However, with extensive pipe installation that goes along the edge of the road, Moffett Road will have traffic restrictions and/or reduced traffic lanes until November 13, 2020.

For the road closure, an alternate route has been set up (see attached) with a detour route for motorists beginning at Desert View Road to Santan Baptist Church Road and ends at Ironwood Road. Motorists will also be able to detour beginning on Ironwood Road to Upper Santan Road to Desert View Road.

T&T Construction will work to minimize the Moffett Road closure to the shortest timeframe possible.

We encourage motorists to plan accordingly during the road closure to arrive safely at your destination.

- Obey all traffic control signs; they contain essential information about traffic conditions, road closures, and detours.
- Obey workers holding up traffic signs.
- Drive at the posted speed limit.
- Plan accordingly for travel time.

The Pima-Maricopa Irrigation Project appreciates your patience while the construction is in progress. If you have any questions you may contact: Kristina Morago, P-MIP Public Involvement Specialist, at (520)610-8200.
