The 2020 U.S. Census is finished collecting responses in the Community

Thank You!

for your participation

What happens now?

The U.S. Census Bureau will now tabulate and verify the final results of the 2020 Census and deliver the count to the U.S. President by December 31, 2020.

By April 1, 2021 the U.S. Census Bureau will send redistricting counts to the states. This information is used to redraw legislative districts based on population changes.
