

Weather Outlook

Rain Storm/Thunderstorm Preparedness Tips:

For those GRIC Employees who work outdoors: below are a few safety tips:

- Thunderstorms can produce strong gusty winds, in some cases, wind may cause property damage.
- Don't be in a hurry; avoid slipping on wet sidewalks or walkways.
- Slick roads with brief heavy downpours in shower Wednesday afternoon.
- Heavier showers which will create hazardous driving conditions.
- Keep your pets indoors.
- **Residents are encouraged to check on family members and**

Office of Emergency Management

Phone: 520.796.3755

Date: September 17, 2018

The highs for today for the Community will be 105 degrees and tonight with a low of 80 degrees. The Community will see storm activity by Wednesday with a 40 percent chance of thunderstorms. This will knock down temperatures to the upper 90's and bring about a 30 percent chance of rain for Thursday and Friday.

STAY COOL & HYDRATED
