Annual Sacaton Elementary School District Stargazing Evening!

This will be a great evening for viewing the moon and Mars. View star clusters, nebulae and galaxies through the telescopes. Take a close-up photograph of the moon with your Smartphone through the lens of a high-powered telescope! The "Traveling Stargazing Store" will offer many educational and stargazing items for sale such as books, bookmarks, planispheres, star charts, constellation mugs, "Glow-in-the-Dark" t-shirts, holographic images of astronomical objects, etc.

When: November 14, 2018

Dinner: 5:30 p.m. ~ Elementary School Cafeteria

**Stargazing: 6:30-8:30 p.m. ~ Ramada Area
(Elementary Campus)**

Transportation will be provided. Please contact Lori Wackett at 520-562-8600 Ext. 3043 by 11/13/18.
