

Weather Outlook

Rain Preparedness Tips:

For those GRIC Employees who work outdoors: below are a few safety tips:

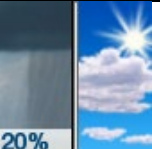

- Please pay attention to weather forecasts as they inform your day to day decisions. These decisions may bring safety to you and your family.
- Don't be in a hurry; avoid slipping on wet sidewalks or walkways.
- Heavier showers which will create hazardous driving conditions.
- Keep a safe following distance between you and the vehicle in front of you.
- Make sure to inspect vehicles before driving.
- Residents are encouraged to check on family members and elder neighbors.
