PUBLIC NOTICE – D5 Road closure on St. Peters Road

Pima-Maricopa Irrigation Project

Canal 13 Lateral 3.43 Road Closure on St. Peters Road May 9 - 13, 2022

The Pima-Maricopa Irrigation Project (P-MIP) will be closing St. Peters Road temporarily for construction on the Canal 13 Lateral 3.43 alignment.

Beginning Monday, May 9, 2022, St. Peters Road will be closed between Casa Blanca Road and Nelson Road from May 9th beginning at 6:00 a.m. and ending at 5:00 p.m. on Friday, May 13, 2022. (See attached map.)

The detour route for St. Peters Road will be Preschool Road. Preschool Road can be accessed from the north for motorists on Nelson Road and from Casa Blanca Road from the south.

We encourage motorists to plan accordingly for travel time to arrive safely at your destination.

- Obey all traffic control signs; they contain essential information about traffic conditions, road closures, and detours.
- Obey workers holding up traffic signs.
- Drive at the posted speed limit.
- Plan accordingly for travel time.

Please note that over the next 12 months, there will be multiple road closures in the area as P-MIP works on construction of 13.62 miles of canals. P-MIP strives to schedule construction and road closure timeframes that make minimal impact to travelers and residents.

The Pima-Maricopa Irrigation Project appreciates your patience while the construction work continues.

If you have any questions you may contact: Kristina Morago, P-MIP Public Involvement Specialist, at (520) 562-6718/(520)610-8200 or by email at kmorago@gilariver.com.

P-MIP's Mission:

"Design and construct a water delivery system for the beneficial use of Community water resources."
