

School Students - In-Person Learning Requirements For Students to Begin In-Person Learning

REQUIREMENT:

Provide a negative COVID-19 PCR test taken by a licensed health care provider, taken no more than five (5) days before the student’s first day of in-person learning.

How to Meet Requirement:

Option 1 (Preferred):

Parent/Guardian can test their child with Steward Healthcare at designated school site location on date and time indicated below.

Parent/Guardian can opt in to receive their child's test result via email notification This is the best option to receive your test result immediately. Please ensure you provide and print your email legibly when completing the Steward-Prorenata Consent form at the test location.

School	Test Date	Test Timeframe	Test Location	Students Testing
Sacaton Elementary & Middle School	July 22, 2022	9:00 am -12:00 pm	SES GYM	SES Students
Casa Blanca Community School	July 29, 2022	8:00 am -12:00 pm	CBC GYM	CBC Students
Gila Crossing Community School	July 29, 2022	2:00 pm -5:00 pm	GCC GYM or GCC Stage Area	GCC and MVS Students
Maricopa Village School (MVS)	July 29, 2022	2:00 pm -5:00 pm	GCC GYM or GCC Stage Area	GCC and MVS Students

Blackwater Community School conducted testing on July 20, 2022 from 9:00 am - 12:00 pm

Option 2:

- Parent/Guardian can test their child with a licensed healthcare provider such as Gila River Health Care.
 - Gila River Health Care COVID-19 Drive-Up Testing at Huhukam is available daily from 10am to 8pm. Redtail and Komatke clinics are available Monday to Friday from 8am to 4pm thru drive up or you can schedule an appointment.
- Parent/Guardian must submit test result to School Administration to begin in-person learning.
- Parent/Guardian can test their child with a licensed healthcare provider. However test results may not be available by school start date.
- Parent/Guardian must submit test result to School Administration as soon as test result

Additional Information

Steward Healthcare/Prorenata Testing

1. If your child test at the school site location, your child will test with the Steward Healthcare /Prorenata team.
2. If you signed up for an email notification of your child's test result, you should receive your child's test result approximately 48 hours after test date.
3. If you opted to receive an email notification and did not receive your child's test result within 48 hours. Or you have questions regarding your child's test result you can contact the Tribal Health Department at (520) 562-5117/5132. Tribal Health will work to answer your questions.

Gila River Health Care Testing

1. If your child test at Huhukam, Redtail Hawk or Komatke, your child will test with the Gila River Health Care team.
2. If you have questions regarding your child's test result you can contact the Community's COVID-19 Hotline at (520) 550-6079. The hotline team will work to answer your questions.

Other Healthcare Entity Testing

1. If your child test with any other healthcare entity, please contact the entity for any test result questions.

Test Results

1. If Parent/Guardian receives a positive test result for their child, Parent/Guardian must notify the school immediately.
 - a. Parent/Guardian should also contact the Tribal Health Department at (520) 562-5117/5132 to inform of positive result.
 - b. Student cannot begin in person learning until isolation ends and no symptoms for 24 hours and no one in home is under quarantine.
2. If Parent/Guardian receives a negative test result, Parent/Guardian must submit a copy of the test result to School Administration (if the child did not test at the school test site location).

If the child did test at the school site location, Steward Healthcare will provide a copy to the School Administration so long as the Parent/Guardian gave consent to do so.

 - School Administration will work with GRHC School Health Nurse to confirm and record test results and vaccination information.
 - School Administration will notify the Parents/Guardians if their child can return to in-person learning on the start date.
