Pima-Maricopa Irrigation Project

Canal 13 Lateral 3.43L Road Closure on Ruins Road August 15 - 26, 2022

The Pima-Maricopa Irrigation Project (P-MIP) will be closing Ruins Road temporarily for construction on the Canal 13 Lateral 3.43 alignment.

Beginning Monday, August 15, 2022, Ruins Road will be closed north of Casa Blanca Road and south of Nelson Road from August 15th beginning at 6:00 a.m. and ending at 5:00 p.m. on Friday, August 26, 2022. (See attached map.)

The detour route for Ruins Road will be Vah-Ki Road. Vah-Ki Road can be accessed by motorists from the north on Nelson Road and from Casa Blanca Road from the south.

We encourage motorists to plan accordingly for travel time to arrive safely at your destination.

- Obey all traffic control signs; they contain essential information about traffic conditions, road closures, and detours.
- Obey workers holding up traffic signs.
- Drive at the posted speed limit.
- Plan accordingly for travel time.

Please note that over the next 4 months, there will be multiple road closures in the area as P-MIP works on construction of 2.8 miles of canals. P-MIP strives to schedule construction and road closure timeframes that make minimal impact to travelers and residents.

The Pima-Maricopa Irrigation Project appreciates your patience while the construction work continues.
